Dear BCWOA,

On behalf of the children and families we serve, thank you very much for supporting Reach Child and Youth Development Foundation as one of the 3 recipients of the proceeds from the Port Gala in June 2013. Your generous donation will be directed to our "*Building for Children Together*" capital campaign. Thanks to the Port gala proceeds, we are pleased to announce we have now exceeded the \$1 million mark of our \$4 million project goal!

This capital campaign will enable us to build a new child development centre in the heart of Ladner, which will serve as a community-based centre for all of our programs. The new centre will enable more children with special needs like Autism and Down syndrome to receive the critical services they need, and provide greater space and resources to the community as a whole. For more information about the campaign visit [www.reachdevelopment.org/campaign](http://www.reachdevelopment.org/campaign)

Support from a variety of organizations and individuals is vital in order for us to realize our goal. Thank you for helping us lay the foundation for the future so every child can have the opportunity to reach their full potential. We look forward to celebrating our next milestone with you!

Yours sincerely,

Renie D'Aquila
